Pink Revolution “Products With a Purpose” School Drive

PINK Revolution Breast Cancer Alliance of New Hampshire is an alliance of dedicated volunteers banding together to support cancer patients undergoing treatment for all types of cancer. We supply 1,500 chemo care packages to cancer patients each year in NH, VT, and MA.

About Us:

- ☑ 100% volunteer organization
- ☑ 501 (c) 3 organization; Federal Tax ID# 86-3155107
- ☑ No salaried or paid individuals
- ☑ 100% of product and monetary donations go directly to our cancer patients
- ☑ Founder is a breast cancer survivor; committee members include cancer survivors

How It Works:

- ☑ School Districts, Athletic Teams, After School Programs, Student Groups, etc. sponsor a week-long (or longer) product drive
- ☑ Each student organization is assigned one chemo care package product to collect during the designated collection week
- ☑ School goals are identified to give the students something to work towards
- ☑ Healthy competitions can be set up to make the experience fun and rewarding
- ☑ Communication blasts are sent to parents leading up to the event to create excitement
- ☑ Create a fun name for your event. One Londonderry, NH elementary school named their drive “Helping Hands” Hand Sanitizer Drive
- ☑ Optional: Schools may provide a photo of the event to be posted on the Pink Revolution website, Facebook page, and at our annual Event. All groups will receive a shout out on our social media. Submitting the photo will assume permission granted to use it.

2021 Chemo Care Package Event Highlights:

- ☑ 19,000 care package products collected
- ☑ 150 caring volunteers participated in the annual chemo care package assembly event
- ☑ 1500 chemo care packages delivered to 27 oncology centers in NH, MA, and VT
- ☑ \$75,000 in gas gift cards donated to patients in need of assistance to/from treatments

“Thank you Pink Revolution for providing us parents a way to involve our children in a cause that teaches them about philanthropy, gratitude and generosity. The drive was so much fun for my two kids. They were so proud to put their donations in their classroom collection bins. It was a great lesson about giving back to others.

Hoping we will do this every year!” - 1st and 4th Grade Parent
